Civil Action No. 15-11725-IT

ORDER ON PLAINTIFF’S MOTION FOR CLARIFICATION

September 7, 2016

TALWANI, D.J.

Kim Anh Thi Doan’s First Amended Complaint [#77] asserted that Doan was being unlawfully detained in Immigration and Customs Enforcement (“ICE”) custody. First Am. Compl., Count I. After the court issued a preliminary injunction, see Mem. & Prelim. Inj. Order [#143], the Connecticut probate court committed Doan for psychiatric treatment. Finding that the Connecticut commitment order mooted Doan’s habeas petition, this court dismissed Count I of the First Amended Complaint [#77]. Order Mot. Dismiss Pl.’s Habeas Pet. [#198]. Because Count I is dismissed, the Preliminary Injunction [#143] is VACATED.

IT IS SO ORDERED.
